Dear Past and Future Seminole Cup Entrants :

It's that time again to start thinking about your shooting for the year 2012 and the Seminole Cup is once again one of the first Big Blast shoots of the New Year. As always, all 2011 participants have the first opportunity to choose their preferred squads. Now is the time to get ready for the event since full page advertisements are due out in November with the magazines. We are always striving to give the shooters a better time so the 2012 layouts will be as described below. Only the Seminole Cup registration office (321-383-0047) will be able to provide you with help for your events and squadding. Hotel accommodations will be listed on our website, which will most likely include the same hotels that we had last year. Once again we are pleased to offer Online Registration through www.winscoreonline.com. New for 2012 we will be able to process AMEX credit cards.

We are pleased that Quail Creek Plantation has agreed to once again host the 19th annual 2012 Seminole Cup. Quail Creek did an extraordinary job last year and they are a prime sporting clays facility-undoubtedly one of the premier shooting facilities in the U.S. Featuring beautiful landscaping, strategically designed courses, a breathtaking rustic clubhouse, a generous sized pavilion and air-conditioned restrooms - Quail Creek is truly in a class of it's own. Because of the size of this facility and the fact that all events will be held at one facility this year, we *strongly* suggest renting a golf cart. Rental information will be available in your confirmation packet mailed as well as our website listed below.

2012 Seminole Cup Events:

We are all aware of the tougher economic times everyone is enduring right now. Tournaments are NOT excluded from these higher prices. There have been increases of contracted services, supplies and labor to name just a few. Seminole Cup management along with Quail Creek Plantation have joined forces in our determination not to pass any of these cost to you our shooter. We are delighted to announce that all the event prices will be the same for Seminole Cup 2012 as it was in 2009, 2010 & 2011, except for NSCA's target fee increase to \$.04 per target.

The enclosed registration form will provide you with the information needed to complete your registration. Please don't delay in completing this form and returning it ASAP as we will be accepting registration forms at Nationals this year as well as the mail out. Feel free to take this opportunity to share this form with any of your friends that were not a 2011 participant. Remember, all entries that wish to squad together - **MUST** submit together. The registration office will be open Monday through Thursday from 10:00am - 3:00pm EST although the online, fax line and email are open 24 hours a day, 7 days a week for your convenience. Along with the registration form, the add-drop sheet, golf cart forms and hotel info will be available on our website for your convenience as they become available. We look forward to seeing you at the Seminole Cup 2011 at the beautiful Quail Creek Plantation.

Warm regards,
